Ms. Weller,

The menu is complaint for kosher meals. We do not purchase any pork products or any products that contain pork by-products.

Hello,

I have several inmates wishing to convert to Judaism and receive kosher meals. I am working on my response to that and will let you know what comes of it – what I have read so far indicates that conversion to the Jewish faith is generally not able to be done while incarcerated.

I also have a request slip from a Muslim inmate requesting kosher/halal meals and I wanted to talk to you about it – have you had any dealings with this in other institutions? I believe the menu is compliant?

I wanted to make you aware that since certain Muslim inmates are requesting special diets because of their beliefs, the warden is giving them the option of taking a vegan diet. Please let me know of any concerns you might have and I will let you know if any take this option.  
Thanks, Michelle
